

**McKINNEY BOYD HIGH SCHOOL BAND
SCHOOL OWNED INSTRUMENT POLICY**

(Piccolo, Oboe, Bassoon, Bass Clarinet, Tenor Saxophone, Bari Saxophone, French Horn, Bass Trombone, Euphonium, Tuba and Percussion)

School owned instruments are made available by the school district for the purpose of providing proper instrumentation for the bands and for the purpose of avoiding large expenditures to the parent.

Instrument Use Fee = \$100.00 per year for concert instruments and \$50.00 per year for marching instruments. (made payable to McKinney ISD)

*This rate is an instrument use fee and does **not** cover any repairs. All repairs are the ongoing responsibility of the student who uses the instrument. All instruments are dent-free upon issuance. At the conclusion of the school year, the student must pay to have any dents removed, any pads or corks replaced if applicable and deemed necessary and have the instrument flushed for the coming school year. Students will have the option of having the instrument repaired through the school and providing reimbursement or having the repairs done themselves and providing an invoice or receipt from a reputable repair shop authenticating the needed repair.*

*The McKinney Independent School District, and McKinney Boyd High School does not provide insurance for individually owned or school owned instruments. In the event the instrument is lost, stolen, or destroyed it is the student's responsibility to replace the instrument. **Although not required, insurance is highly recommended.***

School owned instruments are to be used and not abused. School owned instruments must be kept in their proper storage location when not in use.

Students who use a school-owned instrument are expected to practice that instrument a reasonable amount of time each day. Failure to do so may result in the instrument being reassigned to a student who will make better use of it. Do to the money that is saved in renting a school owned instrument versus a store rented instrument; students are strongly encouraged to take advantage of the private lesson program made available to all students.

I have read and understand the Boyd School Band School Owned Instrument Policy and accept its terms.
